GROWTH

Student Success

Two schools with the largest concentrations of Project Inspire teachers--East Lake Elementary (5 alumni) and The Howard School (13 alumni)--earned the highest level of recognition for the 2022-23 school year.

SY 2024

Diversity

Project Inspire is helping Hamilton County Schools (10% teachers of color) to achieve its goals for improving teacher diversity. For all students, having a teacher of color has lasting and large impacts on academic, social-emotional, and behavioral outcomes.
